VOLUME 2, ISSUE 7

APRIL 2025

NOTES FROM MR. LABANSKY

It was awesome to see so many families at Wonewoc-Center Family Night, the PTCO Elementary Dance, and parent-teacher conferences. The turnout was phenomenal for all three events! Our partnership in your child's education is so valued and is appreciated! Thank you!

I know the next eight weeks will go by fast with various events. Be sure to check your child's take home folder regularly so you can stay aware of the happenings. I have highlighted a few opportunities in this newsletter as well.

If you have any questions or concerns at any time, please do not hesitate to contact me. I can be reached by email at labagre@wc.k12.wi.us or by phone at (608) 464-3165 ext. 124. I would love to meet with you in person as well, but it is best to call to set up an appointment to be certain I am available.

SPRING MUSIC PROGRAM

Please make sure the Wonewoc-Center Elementary Spring Music Program is on your calendar for May 9th at 1:00. We look forward to seeing you!

SUMMER SCHOOL

Summer school catalogs will be shared with students the week of April 7th! We will be offering both remedial and enrichment courses along with the traditional summer recreation and swimming opportunities. We are going to streamline the process this year so there will only be one form for summer recreation and traditional summer school.

Traditional classes will run Monday through Thursday with morning and afternoon sessions. Session 1 will be June 9th-12th and June 16th-19th. Session 2 will be August 11th-14th and August 18th-21st. We will also have make up days for swim lessons on June 13th and 20th and August 15th and 22nd if increment weather cancels lessons during the regularly scheduled time.

STATE TESTING

As mentioned last month, Wonewoc-Center Elementary students in grades 3-5 will take the Forward Exam in English language arts (ELA) and mathematics. Fourth grade students will take science and social studies tests as well. The Forward Exam is an online summative assessment that measures what students know in relation to the Wisconsin Academic Standards. We will test Wonewoc-Center Elementary students on April 7th-11th.

PTCO MEETING

Please mark your calendar for our next Parent, Teacher, Community Organization (PTCO) meeting on April 7th at 5:30 in the school library. Your help with fundraising, event planning, and facilitating events is welcome and appreciated. Please reach out to me if you are interested or just show up to the meeting! We would love to have you join us!

The next event the PTCO is coordinating with other community organizations is the annual Easter Egg Hunt. The event will take place on Saturday, April 19th at 10:00 am at the Wonewoc-Center School Playground.

SEVERE WEATHER AWARENESS WEEK

The week of April 7th is Severe Weather Awareness Week. There will be statewide tornado drills on Thursday, April 10th at 1:45 pm and 6:45 pm. Our school will participate in the 1:45 pm drill. I encourage you to have a conversation with your child about what they learned regarding weather safety and please continue the dialogue to explain what safety plans you have at home in the event of severe weather. Readywisconsin.wi.gov has a lot of resources that can help your family develop plans for various emergency situations.

FFA TEA PARTY

The Wonewoc-Center High School FFA Chapter asked me to re-share information about their Tea Party! Please RSVP to Mrs. Fletcher, the W-C FFA advisor, by April 13th to save your spot!
